

# Forensic InService Podcast

A monthly podcast created to enhance professional growth, promote community building, and shared learning

Monthly facilitated discussions focusing on forensic mental health, criminal justice, insanity defense, high incarceration rates, community management of sex offenders, and public perception of persons with mental illness.

## Hosted By:

Stephen Koonz, MA, MSW, has over 30 years of experience in general and forensic mental health practice, sex offender evaluation and treatment, and in academia

Stephen Price, MD, is a practicing psychiatrist in the Albany, NY area. He has over 30 years of experience in providing expert testimony, and in correctional, general, and forensic mental health practice.
